SPORTS PROMOTIONS

LAKEHURST, N. J.

Dear Sir

In answer to your letter of the 6 inst I have a solidly enclosed park on the heart of the shore resorts where I intend to stage night Baseball on Sat & Mon nights. What I had in mind was to have your club as the home club and play regular Negro Nat League games at this park.

There is an abundance of Negro population plus additional shore trade that I think would make my venture a success. There is a high rental attached to the park but nothing in comparison to the Park you have namely Ruppert Stadium. Please outline general propositions to me that I could operate here or whether you would take the propositions off my hands the only thing that will be the salvation of the game is night baseball.

Yours very truly

Joe Mingin
